

HELPING WHERE IT'S NEEDED MOST

Our team is proud to work with at-risk youth in Ottawa, giving them the support they need to take control of their lives.

We believe in helping hands, not handouts. That's why we provide vital information, opportunities and assistance in critical areas such as education, employment and housing. It's also why we build long-term relationships within the community, and maintain total transparency across the organization.

THE RESULTS SPEAK FOR THEMSELVES:

 **12,586** meals provided to youth

 **635** clients benefitted from Drop-in and Resource Centre

 **116** clients provided with addiction support

LIFE CHANGING RESULTS

"I first became involved with Operation Come Home when I was on my own here in Ottawa, trying to finish high school. The *Self Matters* program helped me gain confidence and *Finance Matters* helped me manage my finances — I am proud to say I graduated debt free in June 2013.

"With the help of a scholarship through Operation Come Home and the Rotary Club of Ottawa, I am now in Office Administration at Algonquin College, finishing up my first semester with straight 'A's! Being a part of this organization has meant the world to me and my daughter, and I only hope others can benefit as much as I did."

– Tara Freeland, 23

MANY WAYS TO GIVE
